Presenter:

Varinder S. Rathore, MD, is a Board Certified Psychiatrist and an attending physician with the Division of Substance Abuse (DOSAs), Department of Psychiatry, an intensive outpatient program for MICA patients utilizing motivational-enhanced therapy at the Albert Einstein College of Medicine/Montefiore Medical Center. His area of expertise is opioid dependency, and he has recently opened a private practice specializing in Suboxone detoxification and maintenance. Dr. Rathore also works at Street Works, where he helps empower homeless and street-involved youths. In his limited spare time, he develops health fairs/screenings and educational programs for marginalized communities.
