Program - 9:30AM – 11:30AM

Program: “The Effects of Violent Crime on Mental Health”

Summary: This program will address the effects of violent crime on the mental health of an individual. The impact has a rippling effect on an individual's life. When providing intervention and treatment to survivors of violence, it is important to recognize the emotions that follow this crisis reaction. In addition, understanding how the brain reacts to trauma will increase the effectiveness of intervention and treatment techniques when addressing the needs of survivors.

Goals: -Participants will be able to identify the emotions that follow a crisis of violence.

-Participants will understand how the brain reacts to trauma.

-Participants will learn effective intervention techniques to utilize with individuals impacted by the trauma of violence

Presenter: Mary Jo Harwood, MSW, LSW. Director of Client Services, Center for Victims of Violent Crime.

Moderator: Jackie Hoag

Fee: A \$15 guest fee will be charged to non-members and a \$5 guest fee will be charged for full time students with a current, validated I.D. (There will be a \$10 surcharge for all returned checks.)
