Program -	9:30AM – 11:30AM

Program: “Survivors of Suicide: Assisting Families in the Grieving Process”

This program will provide information to mental health providers and employee assistance professionals regarding the grief process and the unique aspects of a suicide loss. Families who are dealing with the loss of a loved one due to suicide experience a different course in the process of grieving. As health professionals, we are in a position to provide support in this process.

Goals:

- Define the grieving process
- Review the research concerning suicide and suicidal behaviors
- Identify the unique aspects of a suicide loss
- Suggest interventions in supporting the grief process
